Membership Benefits

Q: What's the most significant?

A: Helping to fulfil the Co25 mission to support children with special or medical needs in Bermuda to live as full a life as possible by providing financial assistance in accordance with our policies and procedures.

Q: What are the other benefits?

A: An exclusive Christmas shopping evening
A quarterly "Fill a Bag"
Quarterly pick up service of donated goods

"Without community service we would not have a strong quality of life. It's important to the person who serves as well as the recipient. It's the way in which we ourselves grow and develop."

-Dorothy Height

What has the Committee of 25 been doing?

The Committee of 25 has so far this year financially assisted the families of 13 children who required a varied medical attention. Co25 has also participated in community focused events such as the donation of 2 benches to the Sensory Park at Mid-Atlantic Wellness Institute and the donation of boxes of clothing to Haiti.

Volunteer Spotlight – Jacqui Williams

Jacqui joined the Bargain Box as a volunteer in 2017. Her reason for joining was so that she could give back to the Committee of 25, which had provided financial assistance to one of her children when they were in need. She and her husband were very grateful. Jacqui works a minimum of 4 hours a week sorting donated goods and is responsible for the household goods section of the store. She has enlisted the help of her daughter who organizes the book section. Jacqui takes great pride in the presentation of the store and is also responsible for the social media platform. See some of her posting above. Jacqui is greatly appreciated!
